

YOU'RE INVITED TO THE SMITH FAMILY LET'S COUNT SESSION

Did you know that many Australian children lack the maths they will need for adult life? Making an early start on skills makes a difference.

Join us for BOQ's Let's Count in Branch Session.

Let's Count is an early mathematics program for children aged three to five, developed by The Smith Family.

This session is guaranteed to be fun and interactive, so that parents and carers of three to five year olds can learn new ways to make maths fun! Please note: The session is designed for parents and carers, though children are also welcome to attend.

Date: Thursday 13 February 2020

Time: 4pm - 4.30pm

Venue: Willetton Library, 39 Burrendah Boulevard, Willetton, WA 6155

RSVP: (08) 9449 7100 OR Willetton@boq.com.au by Thursday 6 February
